Dear Grant Applicant,

The Burnt Hills – Ballston Lake Education Foundation is pleased to announce this opportunity to apply for a Foundation grant. We are an independently governed organization formed to support the youth of our school community by generating and disbursing funds to enrich and enhance education. We look forward to your proposing an innovative program or project that will benefit the students of our district.

As a committee, we will review all applications, and bring our recommendations for funding to the Board of Directors for approval. Grants will be awarded after the Burnt Hills-Ballston Lake School Board approves the gifts on behalf of the District. Please read the guidelines before filling out the application.

We welcome your interest in the mission of the foundation, and value highly our chance to serve as a conduit for the kindness and generosity of our community in creating new opportunities for its children.

Sincerely,

Kay Sole, Grant Committee Chair (877-5718)
